Form of Contract:
JCT Design & Build

Start Date:
September 2014

Completion Date:
October 2015

Two Storey Sixth Form Block, Little Heath School, Reading

Description of the Contract:

The scope was for a new two storey Design & Build sixth form block to the south of the main school site. The works also included the provision of 31 car parking spaces for an anticipated increase in pupils from 425 to 450.

Feltham Construction achieved BREEAM Excellent as requested by the client.
