## **GENERAL DATA PROTECTION REGULATION (GDPR)**

In line with GDPR we are informing you of what data we collect and how we store/handle it in order to be compliant.

We may collect and use personal information for the performance of a contract to which you are party. We have a duty to ensure that your data is secure and confidential at all times and we will only collect data that is required by us to perform the contract into which we have entered with you. We do not sell any information to third parties.

We will retain the information provided to us for a minimum of 7 years, unless there is a specific contractual or legislative reason to hold the data for longer. Information beyond that time, once no longer required, will be disposed of securely.
